Policies and Procedures

The Parent Handbook is available at www.bridgeviewmontessori.org/parenthandbook/ or by request.

Withdrawal and Refund Policy

An enrollment contract is a financial commitment. The school relies on these commitments when planning and budgeting for the educational programming in the upcoming school year.

Sometimes families experience changes that result in the withdrawal of an enrolled student during the summer prior to starting or during the academic year. In any such case, the following policy will apply:

- Withdrawal at any time after enrollment and before June 30 prior to the start of the new school year will result in forfeiture of the \$500 Enrollment Deposit.
- Withdrawal at any time between July 1 and the start of the new school year will result in one-third (33.3%) of the total annual tuition being due and payable to Bridgeview Montessori School. The \$500 Enrollment Deposit will be applied to the balance due.
- Withdrawal at any time between the start of the school year but before December break will result in two-thirds (66.6%) of the total annual tuition being due and payable to Bridgeview Montessori School. The \$500 Enrollment Deposit will be applied to the balance due. *
- Withdrawal at any time after the December break and before the end of the school year will result in total annual tuition (100%) being due and payable to Bridgeview Montessori School. The \$500 Enrollment Deposit will be applied to the balance due. *

* When withdrawing during the school year, we ask for 30-day notice in order to ensure a smooth transition for your child and our community.

Termination and Suspension Policy

The school administration will pursue all possible options to avoid suspension or termination of any student due to behavioral, social/emotional, or academic concerns as outlined in Parent Handbook. If the Administration feels the student is unable to be successful at School, the School may suspend or terminate enrollment of the student, both of which require approval of the Head of School. Written notification will be made prior to the child's date of suspension or termination and will include the rationale and any possible conditions for return. When a student's enrollment ends, the school administration will prepare the student for termination in a manner consistent with the child's developmental ability to understand. Regardless of the reason for enrollment termination or suspension, all tuition payments remain due to the School and there will be no refund of tuition, fees, or other payments previously made.

Force Majeure Policy

The school shall not be liable for any failure of or delay in the performance of its duties or obligations under this Enrollment Contract to the extent that such failure or delay:

1. is beyond the reasonable control of Bridgeview Montessori School.
2. could not reasonably have been foreseen or provided against.
3. materially affects the performance of any of its obligations under this agreement.

The School's duties and obligations under this Enrollment Contract may be suspended immediately without notice during periods that the School is closed because of force majeure events including, but not limited to, a fire, flood, act of God, war, government action, act of terrorism, epidemic, pandemic, natural disaster or other major event which is outside the School's control. If such an event occurs, the School's duties and obligations will be postponed until such time as the School, in its sole discretion, may safely reopen consistent with applicable laws and government requirements. During such a postponement or closures, all tuition payments shall remain due to the school, and there will be no refund of tuition, fees, or other payments previously made. The School may elect to operate on a distance-learning basis, may choose to extend or shorten its school year, and may adopt an alternative schedule to complete its school year curriculum.
